FILING AN INTENT-TO-CUT IN MERRIMACK COUNTY?

Merrimack County is part of the emerald ash borer quarantine area. Wood products harvested in Merrimack County may be subject to the quarantine and require certification if they are to be legally moved out of Merrimack County. Violations of the emerald ash borer quarantine result in fines and penalties. Please see below information about products subject to regulation. Keep in mind that this list may not be exhaustive. For additional information or to request a compliance agreement, please contact: 271-2561 or piera.siegert@agr.nh.gov
