

NH DEPARTMENT OF AGRICULTURE, MARKETS & FOOD DIVISION OF REGULATORY SERVICES

2024 SYRUP HYDROMETER CLINICS

The Division of Regulatory Services will be holding four hydrometer clinics for New Hampshire maple producers. Agricultural Inspectors, Janis Conner, Carina Mackiewicz and Natasha Argenio will be available to check the accuracy of syrup hydrometers.

In the event of inclement weather, please call Division of Regulatory Services at 603-271-3685, the Department's main office at 603-271-2505, or the Extension Office to confirm the clinic has not been rescheduled.

Walk-in Only Clinic

Thursday, **February 15th**, anytime between 9:00AM-12:00PM
UNH Carroll County Cooperative Extension Office
73 Main Street, Conway NH
Office: 603-447-3834

Maple producers should bring hydrometers clearly labeled with the owner's name.

Drop off Sites:

The following is a list of producers who have graciously provided their sugarhouse as a drop off site for NHDAMF to hold a one-day clinic. Please pay close attention to the location's dates and times of drop off and pick up of hydrometers.
