

2018 New Hampshire

Farm/Food Matchmaking Program

***Rescheduled to* March 27, 2018, 1:30-3:30 pm**

Bekdash Shriners Hall, 189 Pembroke Rd., Concord, NH

The third annual NH Farm/Food Matchmaking program is set for March 27, 2018 (originally March 13th ,but changed due to snowstorm) in Concord! You are invited to come and meet New Hampshire farm and food producers and learn about their diverse products.

Last year there were close to 50 New Hampshire farm/food businesses showcasing their products at our second annual matchmaking event, including dairy, produce, meats, beverages, specialty foods and pet foods. We are expecting an equally exciting assortment of vendors for you to visit this year. A show directory will be distributed to all registered attendees and vendors at the event.

If you are seeking local products for your retail establishment, restaurant, food manufacturing business, school or other institution, you should plan to attend this event. There is no cost to you to participate.

Vendors will have product and pricing information and samples, as appropriate, to share with you and your representatives.
