Pesticide Applicator Training Program
2019 Commercial Applicator Manual Order Form

Name: ___________________________ Company: ___________________________
Address: ______________________________________________________________
County: ___________________________ Email: ________________________________
Telephone (daytime): ______________

1. The National Core and the NH Code of Administrative Rules are required for all commercial applicator
categories. Select the manuals you need:

   National Pesticide Applicator Certification Core Manual □ $49
   NH Code of Administrative Rules (Current version) □ $34

2. *The Worker Protection Standard (WPS) manual is required for commercial categories C1, C2, G1, and G2
only if pesticide-treated agricultural commodities are being sold. If you are unsure as to whether you need the
WPS manual, contact the Division of Pesticide Control at 603-271-3694.

   WPS Manual □ $19

3. Check the category or categories below for which you need study materials. If a category has factsheets, those
will be included in your order at no additional charge.

   A1, A2, A3 - Agricultural Pest Control □ $98
   The Agricultural Pest Control manual is required for categories A1, A2, and A3.
   Additional category-specific materials and the WPS manual are provided with the Agricultural
   Pest Control manual. Check the license category(s) for which you need study materials:
   A1 – Fruit □
   A2 – Herbicides □
   A3 – Field Crops □

   *G1, G2 - Ornamental and Turf □ $79
   Category-specific materials are provided with the Ornamental and Turf manual at no
   additional charge. Check the license category(s) for which you need study materials:
   G1 – Shade and Ornamental Pest Control □
   G2 – Turf □

   Include printed factsheets for other category □ $3
