

SECTION 5: Annual Seedlings §205.204

- ☐ Sold as certified annual seedlings*
- ☐ Seedlings or transplants grown on farm
- ☐ Seedlings or transplants grown off farm, at address other than applicant's (See #1 & #2 below)
- ☐ Purchase certified organic seedlings; list type and supplier(s) below and attach organic certificate(s) ☐ Attached

NOTE: An inspection of the off farm facility is required prior to starting seedlings to assure production is allowed at the facility.

1. If seedlings or transplants are grown off farm include the address and detailed directions from Concord, NH to the off farm production site:

2. Explain the agreement you have in place with the owner of the off farm site to prevent contamination of your organic production:

*If seedlings are sold, do you have a current [Plant Dealer license](#)? ☐ Yes ☐ No ☐ NA ☐ Pending

(A plant dealer license is required for anyone selling rooted plants (this includes trees, shrubs, annuals, vegetable plants, fruit tree nursery stock, etc.) in the State of New Hampshire.

If yes, provide your Plant Dealer License/Permit #: _____

If not, contact NHDAMF Division of Plant Industry at 603-271-2561 for information.
