

Daily Use Record of Restricted Use Pesticides (RUP)

Company Name: _____

Name & address of person for whom RUP was applied:	Location of application:	Size of area treated:	Crop, commodity, stored product or site applied:	Time & date of application:	Brand or product name of RUP applied:	EPA registration # of RUP applied:	Total amount applied:	Name & certification # of the certified applicator that made or supervised the application:	Name of any noncertified applicator(s) that made the application under the direct supervision of the certified applicator:

- These records must be maintained for 2 years whether or not certification is renewed
- Administrative Rule [Pes 901.02(e)] reference for daily record keeping for commercial RUP applications may be viewed on reverse side. [Also note, Rule reflects Code of Federal Regulation 40 CFR 171.303(b)(7)(vi)]

CHAPTER Pes 900 RECORD KEEPING AND REPORTING

Pes 901.02 Daily Record Keeping by Registrants or Permittees.

- (a) All applications of pesticides by registrants or permittees shall be recorded simply and accurately with records being maintained at the firm, branch office, or subsidiary for pesticide applications performed by personnel working from such firm, branch office, or subsidiary as registered under Pes 307.
- (b) Registrants and permittees shall keep and maintain these records for a period of at least 2 years whether or not there is a renewal of certification.
- (c) The following facts regarding each pesticide application shall be included in records maintained by commercial applicators applying or supervising the application of restricted use pesticides as defined in RSA 430:29 XXXI:
- (1) The name and address of the person for whom the restricted use pesticide was applied;
 - (2) The location of the restricted use pesticide application;
 - (3) The size of the area treated;
 - (4) The crop, commodity, stored product, or site to which the restricted use pesticide was applied;
 - (5) The time and date of the restricted use pesticide application;
 - (6) The brand or product name of the restricted use pesticide applied;
 - (7) The EPA registration number of the restricted use pesticide applied;
 - (8) The total amount of the restricted use pesticide applied per location per application; and
 - (9) The name and certification number of the certified applicator that made or supervised the application; and
 - (10) The name of any noncertified applicator(s) that made the application under the direct supervision of the certified applicator.
