As farmers’ markets adopt practices to deal with the COVID-19 situation to keep shoppers and vendors safe, the list of markets will grow. Some market openings may be delayed. Offerings at markets may change without notice. Entertainment may be temporarily suspended. Shoppers may be asked to wear face masks while at the market. For more information contact: nhagriculture@agr.nh.gov.

This directory is organized alphabetically by town name.

The NH icon denotes markets that participate in the Granite State Market Match program of the Nutrition Incentives Network. Customers using SNAP benefits will have their expenses matched dollar for dollar at these markets. A $10 match cap/market may exist (spend up to $10 using SNAP and get up to $10 match for a total of $20).
