If you know of a market that is not on this list, please contact us at nhagriculture@agr.nh.gov

This directory is organized alphabetically by town name. This directory will continue to grow as markets organize for the season.

The NH icon denotes markets that participate in the Granite State Market Match program of the Nutrition Incentives Network. Customers using SNAP benefits will have their expenses matched dollar for dollar at these markets. A $10 match cap/market may exist (spend up to $10 using SNAP and get up to $10 match for a total of $20).
