## Daily Record Keeping

Commercial applicators that **do not apply** restricted use pesticides are not subject to additional record keeping or training requirements for uncertified individuals.

Commercial applicators using Restricted Use Pesticides as defined in **RSA 430:29 XXXI** will now have additional requirements for Daily Use Record Keeping under **Pes 900**.

Some updated requirements include:

- ❖ **EPA registration number;**
- ❖ **Size of area treated;**
- ❖ **The total amount of the restricted use pesticide applied per location per application; and**
- ❖ **The name of any noncertified applicator(s) that made the application under the direct supervision of the certified applicator.**

Please see Pes 901.02 under Chapter 900: Record Keeping and Reporting for a full list of requirements pertaining to Daily Record Keeping.

A Daily Use Records form example can be found on the reverse side of this pamphlet.

## Training Non-Certified Applicators

Commercial applicators supervising the use of restricted use pesticides will be required to adhere to additional rules regarding training of their uncertified employees applying restricted use pesticides.

### Pes 403.04 Ongoing Requirements

As written in **Pes 403.04**:

“Non-Certified Applicators. Prior to applying restricted use pesticides, all non-certified applicators shall be trained in accordance with Pes 1103.02 with records of said training maintained pursuant to Pes 1103.05.”

If you have any questions regarding these training requirements, please contact the Division at 603-271-3550, [Robert.H.Bruleigh@agr.nh.gov](mailto:Robert.H.Bruleigh@agr.nh.gov), or visit: <https://www.agriculture.nh.gov/publications-forms/pesticide-control.htm>.

## Dealer Record Keeping

Pesticide dealers selling restricted use pesticides will have new information they must record per transaction under **Pes 300**. Dealers must maintain these records for 2 years from the date of the sale or distribution per Pes 306.05(e).

Some new requirements include:

- ❖ **Address of the residence or principal place of business of each supervisory registration or restricted use permit holder to whom the pesticide was distributed or sold;**
- ❖ **Expiration date of the supervisory registration or restricted use permit of person making the purchase;**
- ❖ **Category(ies) in which the supervisory registration or restricted use permit holder is certified relevant to the pesticide(s) sold; and**
- ❖ **EPA registration number of the pesticide(s).**

Please see Pes 306.04 for a complete list of ongoing requirements for pesticide dealers.
