With nearly 70 summer season locations and 25 winter season locations across the state you are sure to find a market near you all year round:

In 1997 the New Hampshire Department of Agriculture, Markets & Food introduced a program recognizing those farms that make an extra effort to keep their busy farmsteads neat and attractive. The New Hampshire Farms of Distinction program honors have been awarded to 149 farms, to date. Each farm receives an attractive Farm of Distinction sign, which is proudly displayed at the farm.
