Scale clinics are for businesses that grow and sell their own agricultural products at farmers markets or at a farm stand. The clinics are free to growers who have three or fewer scales under 100 lb capacity and no other commercial devices on their license. Please Note: Scales must be CLEAN before they will be tested.

Attendees should bring:

1. Legal-for-trade scale(s) with necessary accessories;
2. Current scale license (if you have one); and
3. Any renewal forms and/or payments due (credit cards are not accepted at this time)

Please monitor our website for clinic schedule updates and/or cancellations. If there is inclement weather and we feel it is unsafe to hold a clinic, an alternative date will be scheduled.
