Project Summary

Summarize the accomplished project goal and results. The SCC will use this statement for public distribution in media and reporting (500 characters or less):

Narrative: What Happened - Project Description:

Provide a description of the completed project.

- Summarize the project tasks undertaken and the outcomes achieved.
Refer to the Project Tasks provided in the Grant Application and Grant Agreement Exhibit A.
- Highlight the conservation benefits achieved.
- Describe, if applicable, task and /or budget modifications that were made during project implementation.
Explain why the modifications were necessary.
- Describe the ongoing management and stewardship plans for the project.
- Attach maps of the project site, if applicable, to illustrate results.

Narrative: What Happened - Project Description

Media, Photos and Final Report

Provide documentation of the following:

____ Implement public awareness program and provide documentation of relevant publications. Include the SCC Moose Plate logo and funding credit in all materials.

____ Provide at least one photograph (jpg file) featuring the project with the final report materials. A Photo Release Form needs to be submitted with each photograph. Up to 5 photographs per project will be accepted.

____ Install and display the SCC Moose Plate sign, provide by the State Conservation Committee, as appropriate on the project site, and provide dated photograph of installed sign.

Accounting

Provide an accounting of the final project revenues and expenditures in the budget table provided.

See the Grant Agreement Exhibit B for required Tasks to be completed.
